

SIDEBOARDS | Neck

MODEL PREFIX 9303 WITH CONCEALED FEET ■

20 mm thick structures and fronts are made from particleboard panels with a matt lacquered or wood veneered finish. Swing fronts with upper grip recesses for 600 mm high sideboards, swing fronts with grip recesses for the upper fronts and push-to-open mechanisms for the lower fronts for 1124 mm high sideboards. The inside of structure is also available with a contrasting matt lacquered or wood veneered finish.

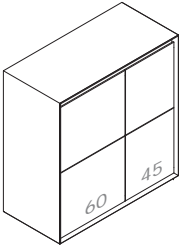

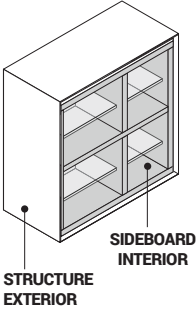

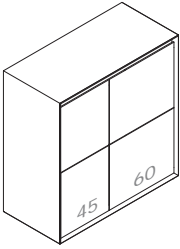

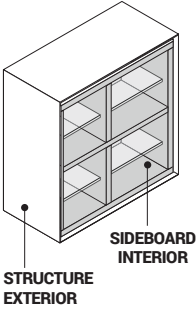

They are standard supplied with adjustable, H 14 mm concealed feet so that they can stand by themselves on the floor.
