

# technical features of the | SHELBY BED

- Bed with a particleboard structure upholstered in fabric or Tecnopelle. The cover is always removable.
- Featuring a shaped headboard made of foam and bonded wadding upholstered in removable fabric or Tecnopelle. The front of the headboard is upholstered in the same material used for the bed frame. In the dual coloured version the sides and the back of the headboard can be upholstered in a contrasting material, even in leather.
- The headboard is always finished on the rear while the front is highlighted by a set of vertical, stitched lines which match the upholstery.
- Since it is made out of a single piece of material, if it is in fabric or Tecnopelle, the back of the headboard is smooth with no stitching. In the dual coloured leather version the back of the headboard features vertical stitching because it is made by joining various pieces of material.
- The headboard stands on 10 mm high spacer feet.
- It is supplied with an integrated self-bearing slatted base with beech slats. 6 of these slats have rigidity regulators and 4 feature different degrees of firmness for differentiated shoulder support.

## TECHNICAL DRAWINGS

**NOTES:** Supplied as standard with 220 mm high cylindrical feet in matt lacquer matching the bed-frame upholstery. They are also available with a metallic lacquered finish.

**NOTES:** The interior measurements refer to the space available for the mattress.

The size of the integrated self-bearing slatted base is smaller than the size of the interior space so that when the mattress is in place the underlying slatted base cannot be seen. For transport purposes, the integrated self-bearing slatted base is supplied unassembled, in two separate parts.

Mattress	1600x2000	1800x2000	QUEEN SIZE	KING SIZE
Self-bearing slatted base	1494x1949	1694x1949	1494x2001	1834x2001

## OPTIONS

**NOTES:** For the price of the bed in the dual coloured version in different types and categories of upholstery, add the prices of the structure and of the front of the headboard to the price of the back of the headboard.

The dimensions of the bed-frame cannot be custom sized.
