

technical features | MODULAR SWING CONSOLE DESK

- Modular console desk with a wood particleboard structure and MDF fronts available in matt or gloss lacquer, Color Wood or wood veneer.
- The drawers are supplied soft-close as standard and are also available with a contrasting finish in matt or gloss lacquer, Color Wood, wood veneer or stone.
- The vertical units can be floor-standing with concealed feet or wall-hung with fixings to secure them to the wall.
- The horizontal units can only be used together with vertical units or units with a methacrylate leg standing on the floor. The wall fixings serve merely as a safety, anti-tip measure.

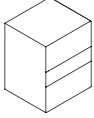

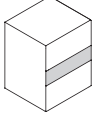

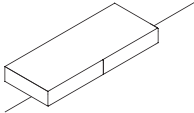

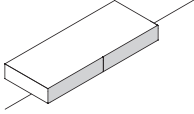

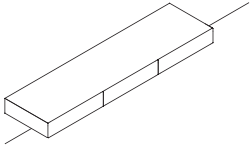

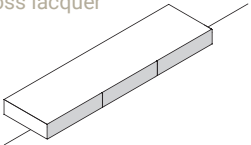

EXAMPLE OF SWING LAYOUT

The vertical units can be floor-standing with concealed feet or wall-hung with fixings to secure them to the wall. The horizontal units can only be used together with vertical units, the wall fixing is merely a safety measure to prevent the unit from capsizing.
