Fixed rectangular table with powder-varnished metal base.
The colour of the aluminium edging below the top matches the base.

The top is available in various sizes and can also be requested custom-sized in length (min. L 1800 mm - max L 3000 mm) and in width (min. W 900 mm - max W 1050 mm).

A base in a matt lacquer colour chosen from the PRESOTTO colour palette is available with a € 226 surcharge.
Alternatively RAL or NCS lacquers are available with a € 452 surcharge.

FOR WOODEN VERSIONS:

The price is calculated by adding a surcharge of 122 € for each reduction to the price of the table the next size up.
Example: 2300x950 = TV974 (2.677 + 122 + 122 = 2.921)

FOR THE GLASS, ECOMALTA® AND CERAMIC VERSIONS:

The price is calculated by adding a surcharge of 184 € for each reduction to the price of the table the next size up.

** The ceramic version is 1000 mm and not 1050 mm deep
