

technical features of the | TEBE BED

- A free-standing divan bed made from particleboard panels, available in matt lacquer or wood veneered. It features a 45° bevelled inner frame available in matt lacquer, even in a contrasting finish.
- Single independent headboard with brackets to be fixed to the bed's structure. The headboards can be arranged around the perimeter of the bed in variable quantities. Beds with storage bases are an exception to this rule (it's not possible to fit headboards on the side of the bed-frame where the storage base opens from).
- The particleboard headboard is upholstered in fabric, Tecnopelle or leather. The headboard cover is always removable.
- Also comes in the storage version.
- The bed's structure and headboard are always finished on the rear so that they can be positioned at a distance from the wall.

TECHNICAL DRAWINGS

NOTES: Both the external "A" and the inset "B" positions of the mattress are adjustable. The inset "C" position is available on request.

SLATTED BASE NOT INCLUDED (SEE PAGE 110)

NOTES: Supplied as standard with 45 mm high feet with a black finish. 90 mm high feet are available on request.

technical features of the | TEBE BED with storage base

WITH ONE OR TWO POSITION SLATTED BASE

As well as the advantage given by the storage space, thanks to a special mechanism, this system also offers the possibility of raising the slatted base to a position from which it is possible to make the bed while standing upright.

1-POSITION LIFT-UP MECHANISM

2-POSITION LIFT-UP MECHANISM

Not available for W 1210 and KING beds

OPENING DIRECTION FOR LONG SIDE OF THE 1210-MM WIDE COMPARTMENT 1-POSITION LIFT-UP MECHANISM

The storage bases are always fitted with ventilation grilles.

Available in widths 1210, 1610, 1810, QUEEN and KING

The bed with storage base is supplied with an integrated slatted base with beech slats.

Slats with rigidity regulators to customise the slatted base.

Slats with different degrees of firmness for shoulder support.
